

## Matters outstanding from previous meetings

Item	Action	Status / response / update
<p>Use of the New Homes Bonus</p> <p>(Overview and Scrutiny Work Programme, 12 November 2019, Minute OS28 and Lead Councillor Question Session, 12 November 2019, Minute OS24.)</p>	<p>Add a report on the amount and use of the New Homes Bonus to the Overview and Scrutiny work programme.</p>	<p>The Director of Finance advised the Committee on 12 November that the New Homes Bonus grant paid by central government to the Council was approximately £3million. The Director of Finance confirmed subsequently that the amount in the New Homes Bonus reserve was £4.5million, of which £2million was already committed for projects and a further £2.2million proposed for future use (i.e., a growth bid of £500,000 for the town centre masterplan and £1.67million for the public realm scheme), with a possible uncommitted balance of approximately £300,000.</p>
<p>An Update on the Implementation of Future Guildford, 17 December 2019, Minute OS31.</p>	<p>In addition to a further report to Committee in March 2020, the Committee members are to be provided with:</p> <ul style="list-style-type: none"> <li>• risk assessments relating to Future Guildford.</li> <li>• a breakdown and explanation of the monies spent on contractors to date.</li> <li>• examples and justifications of business processes that have changed as a result of Phase A.</li> <li>• results of relevant staff surveys.</li> </ul>
